### WORK EXPERIENCE

09/05/2018 – 09/09/2021 – Bitola, North Macedonia

**WEB DEVELOPER – GAUSS INSTITUTE**

During this project engagement with Gauss Institute, I was responsible for the design of the website needed for the project. For realization of this task, I was using HTML, CSS, JavaScript, PHP and other relevant web design coding languages; creation and test applications needed for the website were also under my control, as well as troubleshooting website problems. After the completion of the website, I undertook activities for monitoring website traffic, maintaining and updating the website.

12/08/2017 – 08/06/2020 – Bitola, North Macedonia

**MARKETING ASSISTANT – 3D VISION ENGINEERING**

My responsibilities as marketing assistant were to visit all firms and agencies that we cooperated with and to conduct a survey referring the satisfaction of the services provided and possibilities for further expansion on the market. After that, I was analyzing the questionnaires and writing market oriented reports for further development, promotion and cooperation.
